*Replacing America's bribery-based Republic and its unsustainable and highly-toxic Oil & Nuclear Age that is rapidly making the Earth uninhabitable, with a majority-rule Democracy that will implement a Solar Hydrogen & Cannabis Age that the USA and Civilization was founded upon with wartime-speed.*

Subject: Attached 2020 Democratic Presidential Candidate Registration Form 2  
for the Harry Braun for President Committee, Number C00662247.

Please find the attached 2020 Statement of Candidacy for President (Form 2) from Harry William Braun III. We filed Form 1 online on the FEC website with some difficulty because it took several attempts for the system to process Form 1, and we were also unable to complete Form 2 after several attempts. However, in the process, we noticed our Braun for President 2020 campaign committee now has two account numbers: C00662247 and C00662189. Since we have used the first number (C00662247) to file Form 2, is it possible (or necessary) to delete the duplicate account number (i.e., C00662189)?

Our committee understands the financial reporting requirements once \$5,000 has been raised or spent in our campaign. Please give us a call or email if you have any questions or need any additional information.

Thank you for your assistance.

Sincerely

Dorothy L. Braun
